Game Name: Pirates Of The Mediterranean Remastered

GameID: PiratesRemastered88
Release Date: 24th August 2021

We gave one of our old favourites the 'Remastered' treatment, to bring the classic, old-school cabinet fruit machine experience of **Pirates Of The Mediterranean** to a new generation of videoslot fans.

Find the treasure and win all the money and gold, aboard an animated pirate ship that will make you feel like you are crossing the ocean on a Pirate ship! **Pirates Of The Mediterranean** is a 5X3 videoslot with ten paylines and a maximum win approaching 8,500x.

Players will encounter the swashbuckling pirate captain and his sea-maiden in their quest to recover the huge riches contained inside the pirate's coveted treasure chest. The base game includes random **Walking Wilds** which can appear on any of the five reels and which can also re-trigger. All wins in the freespins are multiplied by 4X and, or 8X if a Wild is involved, making wins of up to 8,500 possible.

In addition, all base and feature wins can be entered into the **Gamble Ladder** to potentially increase them (up to €30,000).
