Game Name: Black Forest

GameID: BlackForest

Release Date: 11th August 2020

Description:

Black Forest is a medium-high volatility, feature-rich 5X3 videoslot with nine paylines and a maximum win of over 2,000X.

Set in the ancient German woodland that is rich with stories of magic, mystery and legends, this game, and with two intriguing features as well as free spins, this game is guaranteed to capture the imagination of players.

The **Call Of The Hunter Mystery Spins** triggers, on average, every 10 spins, when two bonus scatters land. The magical wind of the forest blows and between 2 and 5 regular symbols are removed from the reels to be replaced by the Forest Wild.

In the **free spins** bonus game, every spin triggers the Call Of The Hunter feature, and then, if it creates more winnings, the **Lord Of The Forest** feature will trigger. All instances of the Lord Of The Forest (top-paying symbol) expand vertically on their reels and all new and extended paylines are paid, leading to some legendary wins.
