

GAME INFO

Game Name: BlackJack (standard version)

GameID: StandardBlackjack

Release Date: 21st July 2020

Description:

Blackjack is our desktop and mobile version of this classic casino table game. It is multi-hand, feature-rich, has a very simple UI and is optimised for mobile play.

The game allows players to gamble with up to three initial hands, all of which can be split once. The game uses six standard decks of 52 cards without Jokers. Cards shuffle is based on a Fisher-Yates routine.

Once the player's hand(s) have been dealt, they have the option to double down and when game conditions allow, players can opt to split, take insurance or even money.
