Game Name: Book Of Spies: Mission X

GameID: BookOfSpies

Release Date: 27th October 2020

Book Of Spies: Mission X is a highly volatile, feature-rich 5X4 vide slot with a ways pays mechanic, and a maximum win approaching 27,000X.

Our intrepid and beautiful heroine, *Lara Jones*, is back once again, this time to lead a team of team of fearless special agents on a mission to break into the ultra-secret digital vault of an evil spy master in order to steal his 'Book Of Spies'.

The game benefits from the exciting **xWays**[®] and **xNudge**[®] game mechanics which, if triggered together, offer huge pay out potential.

xWays[®] are mystery symbols which, when they land, expand the reels by 2, 3 or 4 extra symbols. Up to three **xWays**[®] can land on any base game spin, and five in any free spin.

The **xNudge** feature, is an upwardly expanding wild that also increments a win multiplier with each symbol it covers (up to 7x). Up to two **xNudge** features can trigger in any single free spin.

In the **free spins** bonus game, which can start with up to 21 free spins, one of the high-paying symbols is selected to be the special symbol. This then acts as an expanding scatter and can generate additional big pay outs. Free spins can retrigger.
