

GAME INFO

Game Name: Fruit Slot™

GameID: FruitSlot

Release Date: 29/01/2019

Description: Fruit Slot™ is a roulette-inspired videoslot set up in a classic Asian arcade, complete with all the glossy surfaces, bright colours, ringing and blinking you can expect. The game is instinctive and easy to learn, yet it features strategic betting, in the sense that the player will only gamble on the symbols he/she chooses, for the amounts he/she chooses. This is a fresh step away from the reel-based video slot, and towards innovative gameplay.
