### POP-UP MENUS

#### Bet Amount

The bet amount pop-up menu displays all available bet/line and payline options. The currently selected amount is highlighted white. The player can also click on the 'Back' icon, to return to the main game screen without making any changes to the bet amount.

#### Autoplay

The autoplay pop-up menu allows the player to select a number of spins to autoplay. To do so, the player clicks on one of the available spin number options. This button will then highlight white. The player must then set a loss limit (must be greater than 0) and then click on the spin button to confirm their intention. The menu is then hidden and the player is returned to the main game screen, with autoplay active.

Gamble is not available during autoplay, however, the player may opt to gamble any winnings awarded on the final spin.

## Giant Panda – game rules

The player may also choose to set optional conditions to automatically stop autoplay. These include:

- Stop autoplay on a single win of a player-stipulated value.
- Stop autoplay if the balance increases by the amount the player specifies.
- Stop autoplay upon entering free spins

Note: If you are disconnected while playing, all autoplay settings will return to default when you reload the game.

### GAME SETTINGS AND REGULATORY

#### Current time
