Lucky Mr Wild is a high volatility, feature-rich 5 reels, 3-4 rows videoslot with Bonus Game, Free Spins, Feature Wheel and Wilds modes, offering a maximum potential win of around 2900x.

Lucky Mr. Wild is an all-ways slot which surrounds you with a luxurious casino environment! The **FEATURE WHEEL** is spinning synchronously with the reels to enhance the outcome of your spin: character symbols get suddenly swapped for **WILDS**, your wins multiplied, respins improve your outcome and the Three Card Poker inspired **BONUS GAME** makes you think what cards you choose! You also get up to 18 **FREE SPINS**, what else could you want from a slot machine?

After a spin and any feature are completed, you have the opportunity to risk it all and **GAMBLE** to increase your wins! Choose between betting on red or black to **DOUBLE YOUR WIN**, or go for the card suit bet to increase your win four times! **GAMBLE** is only available if your current win is less or equal 100 times the total bet your placed to spin the reels before the gamble. You may gamble **UP TO 4** times per round.
