GameID: PopStar

Release Date: 26/03/2019

Description: Popstar™ is a 5x4 reel, 1024 ways, videoslot in collaboration with Swedish pop star Erik Segerstedt. The game has a TV talent contest theme. The player will follow the story of a rising star, from an audition at Base Mode to the finals at the Free Spins Mode. Once there, talent judges will collect golden tickets from their judge symbols on the reelset. When a judge has 6 golden tickets, its symbol on the reels will be replaced by the top paying symbol, and the player will receive even more free spins. This allows the player to stay longer in the Free Spins Mode, as well as maximizing the wins.
