Game Name: Teutoburg

GameID: Teutoburg

Release Date: 8th September 2020

Description:

Teutoburg is a medium-high volatility, feature-rich 5X3 vide slot with nine paylines and a maximum win of over 16,000X.

Specifically designed with the German gaming market in mind, Teutoburg recasts the epic defeat of three Roman legions by the Germanic Tribes in The Battle of Teutoburg Forest in 9 A.D. as a nine-line online slot with several themed bonus features including both ladder and card gamble options on all wins. Beyond the battle to win from spins on its five reels, Teutoburg brings Forest Mystery Symbols into regular play that can further boost your fortune with their power to stage ambushes on unfortunate Romans on the reels!

The **Forest Mystery feature** sees 2, 3 or 4 mystery symbols being placed on to the reels. These will all then transform into the same high-paying, German or Roman symbol and the reels evaluated.

If the mystery symbols reveals a German warrior (either an infantry, archer or cavalry) and they are adjacent to a Roman symbol, they can trigger the **Ambush feature**, to convert the Roman to the same German symbol or, if two or more Germans attack the same Roman, into **multiplying wilds** (up to 5X).

In the **free spins** bonus game, every spin triggers the Forest Mystery feature. Up to 60 free spins are possible.
