Release Date: February 22, 2022

Midnight Money is a 5x3 slot with 30 fixed paylines, featuring symbol stacks and a free spins feature with a Quick Finish bonus that offers a cash award in lieu of free spins.

The core feature is free spins which occur any time 3 or more YIN YANG symbols appear on a winning payline. Because YIN YANG can be a stacked symbol, and 5 YIN YANG award 15 free spins, the player can win 450 free spins when YIN YANG appears in every symbol location. In addition, any time the player has more than 20 free spins remaining in the free spin bonus, the Quick Finish feature can be invoked which offers the player a credit prize in lieu of the remaining free spins.
