John Daly Scratch It And Win It – game rules

John Daly Scratch It And Win It is an online scratch card game with 9 covered symbols on the cards.

Return To Player (RTP): **88.0%**

How to Play

- To play the game the player must first click “PLAY” to initiate their bet. All panels on the card then become active.
- Players then scratch the individual panels with their finger/mouse cursor one at time to reveal each prize symbol or use the “Reveal All” button to reveal all prize symbols automatically.
- If the revealed prize symbols contain three instances of the same prize symbol the player will win that prize and their balance will be updated.

Results and Payouts

- This is a “Match 3 of 9” game where a player can win one of the following prizes at the specified fixed odds given a default bet of €1.00.
- It is only possible to win one prize.
- The prize payouts are paid based on the following odds.

POP-UP MENUS

Autoplay

John Daly Scratch It And Win It – game rules

The autoplay pop-up menu allows the player to select a number of bets to autoplay. To do so, the player clicks on one of the available bet number options. This button will then highlight white. The player must then set a loss limit (must be greater than 0) and then click on the bet button to confirm their intention. The menu is then hidden and the player is returned to the main game screen, with autoplay active.

The player may also choose to set optional conditions to automatically stop autoplay. These include:

- Stop autoplay on a single win of a player-stipulated value.
- Stop autoplay if the balance increases by the amount the player specifies.

Note: If you are disconnected while playing, all autoplay settings will return to default when you reload the game.
