WILD

 = ODIN

 = WILD LOGO

ODIN is wild and substitutes for all symbols except LOGO.

Appears on reels 3, 4, and 5 only.

FREE SPIN BONUS

3 or more scattered LOGO appearing in any position on the reels award 10 free spins.

Free spins are played using the same lines and bet per line as the triggering base game.

Free spins are played using a different reel set than base games.

During free spins, ODIN appears only on reels 1, 3, and 5.

ODIN appearing in any position on reel 3 during free spins locks in place during the entire free spin bonus, covering the symbol on the reel that would normally appear.

If LOGO lands on the same reel position as a locked ODIN, that ODIN is visually replaced with WILD LOGO which acts as both wild symbol and bonus trigger as applicable for that game only.

During free spins, stacks of YGGDRASIL are added to reels 2, 3, and 4.

During free spins, winning combinations of 3 YGGDRASIL pay 20 times the number of credits bet on the winning payline.

3 or more scattered LOGO appearing in any position on the reels during free spins award 5 additional free spins.

Additional free spins are awarded one time only.
