The background is a vibrant, futuristic digital interface. It features a central rectangular frame with a glowing, multi-colored border (red, orange, yellow, green, blue, and purple) that has a pixelated, digital aesthetic. Inside this frame, there's a dark, abstract landscape with glowing elements and a central bright spot. The frame is surrounded by various digital elements: on the left, a control panel with red and yellow buttons; on the right, a vertical bar with glowing segments; and at the top, a series of glowing lines and nodes. The overall color palette is dominated by deep blues and purples, with bright highlights in red, orange, and green.
