

Zorbas Tavern is a 5x3 video slot game featuring Wild substitutions, Free Spins and a Bonus game where you fish lobsters to win.

Inspired by the Greek summer, the Aegean and the Hellenic cuisine, the game invites you to Zorbas Tavern where a few of the local traditional dishes land on your table every time you spin.

The Wine is a WILD and may substitute all symbols except BONUS and SCATTER. OUZO is a SCATTER and will trigger FREE SPINS whenever 3 or more Ouzo symbols land on the table. During FREE SPINS, additional free spins can be won and all winnings are doubled.

Lobster dish is the BONUS symbol and will trigger the BONUS GAME when a winning combination of at least 3 BONUS symbols occurs in a LINE.

ZORBAS TAVERN

PAYOUTS

Game has 20 LINES. Player always bets on all LINES.

LINE pays from LEFT to RIGHT.

TOTAL BET is calculated by LINES x BET LEVEL.

LINE BET is equal to BET LEVEL.

LINE winnings are equal to payout of symbol occurrences in PAYTABLE, multiplied by BET LEVEL.

SCATTER winnings are equal to payout of symbol occurrences in PAYTABLE, multiplied by TOTAL BET.

BONUS winnings are equal to payout of the BONUS game.

If BONUS is triggered by more than 1 LINES, BONUS winnings are multiplied by the number of LINES that triggered the BONUS game.

When coinciding winnings occur on the same LINE, only the highest winning is paid.

If among coinciding winnings on the same LINE that pay the same exists winning by WILD substitution, the latter is preferred.

Simultaneous winnings on different LINES are accumulated into TOTAL WIN.

ZORBAS TAVERN

WIN LEVELS

Game has the following Win Levels: SMALL , MEDIUM, BIG, MEGA and TOP PRIZE.

Each level has a separate sound and/ or animation.

The TOTAL WIN determines which Win Level should be played.

Celebration of a WIN LEVEL depends on Operator and jurisdiction requirements.

When at least three matching SCATTER symbols appear anywhere on the REELS, award FREE SPINS.

The SCATTER symbol, is a scatter pay, meaning that the player is paid according to the number of symbols that appear anywhere on the reels.

To maximise winnings while free-spinning, additional free spins can be won and all winnings are doubled.

ZORBAS TAVERN

BONUS GAME

When a winning combination of at least 3 BONUS symbols occurs on a LINE, the BONUS GAME is triggered.

Once BONUS is triggered 2-4 picks are awarded.

Select the requested number of buoys to discover how many lobsters are in the trap.

Each trap can hide 2-3 lobsters with their size determining the total prize of the BONUS game.
