GAME DESCRIPTION

Powderkeg Studios' third explosive game - Red Panda Rising dares you to challenge the Clan of the Red Paw! In mystical feudal Japan where the threat of rival clans constantly looms, the Red Paw strikes from the shadows at the invading Seganku Clan across 25 paylines in a 5x3 array! Join the Red Paw and hunt for Wild symbols that are Wild for all symbols *including* Bonus symbols! 3+ Bonus and/or Wild symbols award 7 Free Spins, but keep an eye out! Some spins will be blessed by a powerful deity and Wilds that land on the reels can expand and become Wild Reels!

Surrounded by cherry blossom trees and bamboo forests, follow the clans Geishas as they pass through majestic Torii gates and take note of the Wild Reels used in triggering of the Bonus. Those Wild Reels carry over into the Bonus and remain Wild Reels for every Free Spin!

Wild Reels in the Bonus can be powered up even further by the powerful deity and multiply all wins!

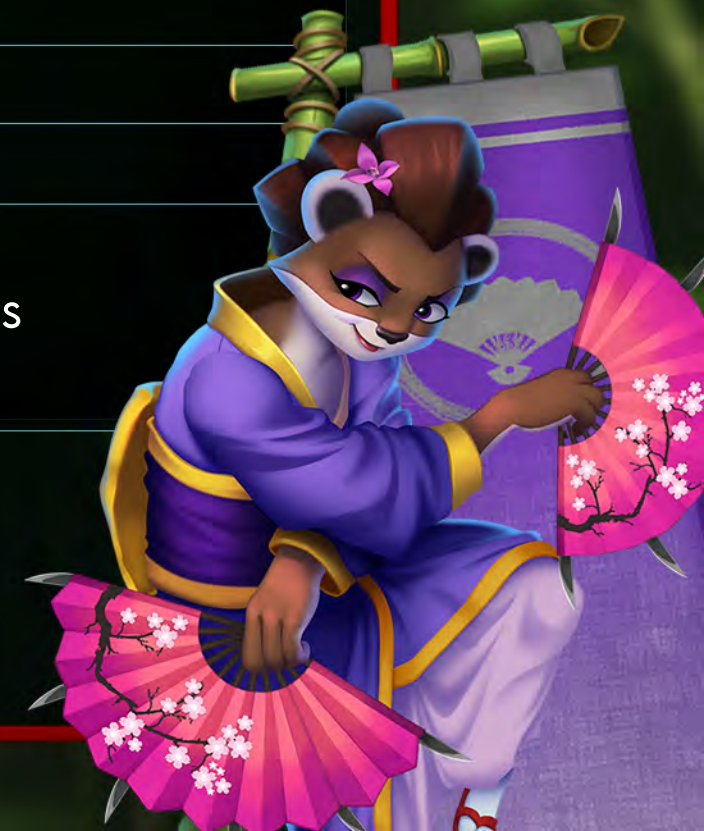

Slice your way through the forest and watch the clans battle for supremacy in Red Panda Rising!
