

GAME RULES

ABOUT THE GAME

- Shamrock Surprise is a 6 reel by 4 rows, 40 lines game featuring multipliers, an accumulating multiplier free spins, and a Link bonus.
- The Paylines are evaluated left-to-right on adjacent reels starting on the leftmost reel. Only the longest matching combination per winning line is paid. Simultaneous or coinciding wins are added together.
- All wins occur on lines only, except the bonus scatter and the free spin scatter which award bonuses for landing 3 or more of the same scatter anywhere.

HIGH SYMBOL MULTIPLIERS

- When any of the three high symbols land in a stack of at least 3 full adjacent columns or more that result in a winning spin, the multiplier feature will trigger.
- The three high symbols are the leprechaun, the pot of gold, and the harp. When triggered, the high symbols create a random multiplier to the current win.
- The random multiplier ranges depend on the number of full stacks that landed during the feature:

Amount	Multiplier
3 Full Stacks	2x - 4x
4 Full Stacks	2x - 5x
5 Full Stacks	2x - 6x
6 Full Stacks	2x - 7x

- Multipliers from the feature are only applied to the line wins on the 40 lines and are not carried over to the bonus or free spins.

FORTUNE BET – HIGHER MULTIPLIERS

- Pay an extra 30% ante to activate more power from the high symbols during the Feature.
- When winning on full high symbol stacks of 3 or more the feature will trigger 100% of the time and the multiplier ranges are enhanced as follows:

Amount	Multiplier
3 Full Stacks	3x - 6x
4 Full Stacks	3x - 7x
5 Full Stacks	3x - 8x
6 Full Stacks	3x - 9x

- Multipliers from the feature are only applied to the line wins on the 40 lines and are not carried over to the bonus or free spins.

LINK BONUS

- Land 4 or more [Scatter] anywhere on the reels to trigger the Link Bonus.
- There is not a set award for triggering the bonus, but all triggering [Scatter] symbols will each reveal random credits or change color to reveal corresponding prizepot color win.
- All other symbols will disappear, and the bonus will start with 3 initial respins on remaining reels.
- The number of remaining respins reset to 3 each time at least one more [Scatter] symbol lands.
