BUY INTO BONUS	Yes
PROMO FREE SPINS	Yes
GAME FEATURES	<ul style="list-style-type: none"> • Win Ways • Wilds • Mystery Symbols • Mystery Coin Reveal • Free Spins • Turbo Mode

WIN WAYS

Identical symbols from left to right and from right to left create a way win regardless of whether the symbols align on the rows.

If a column is missing a symbol from left to right or right to left, further identical symbols are not counted as part of possible wins for that symbol.

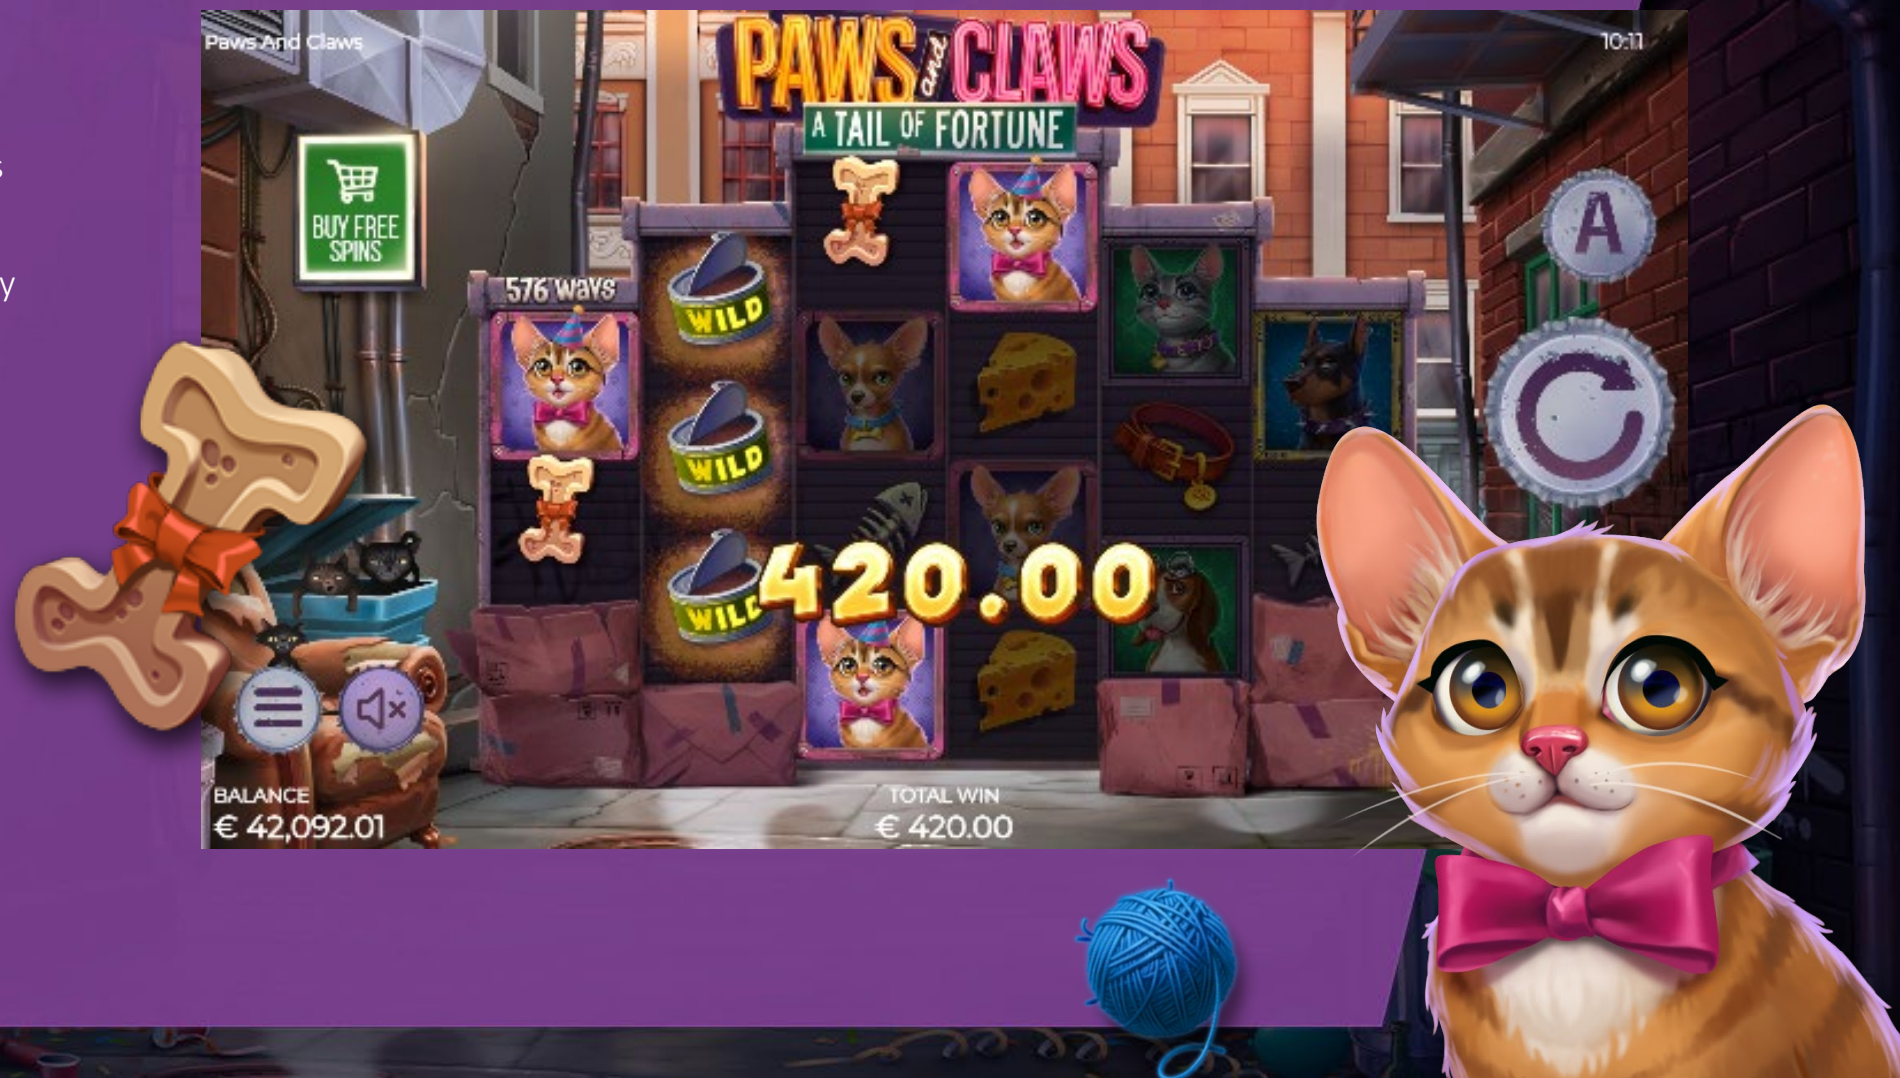

Simultaneous or coinciding wins on different ways are added. The actual payout equals the sum of the dynamic payable values corresponding to each way won.

WILDS

Wild Substitutes for all symbols except free spin scatters.

Wild appears only from Mystery Symbols on reels 2, 3, 4 and 5.

MYSTERY SYMBOLS

Landed mystery symbols as “boxes” turn into the same symbols, except for the scatter bonus symbol.

Mystery symbols may reveal into a Wild symbol as well as Coin symbols that will trigger the Mystery Coin Feature.

Mystery Symbols stacks are on reels 2, 3, 4 and 5 only.

MYSTERY COIN REVEAL

Once the Mystery Symbols reveal the coins, each position spins the coins independently with possible awards of x1, x2, x5, x10, x20, x50, x100 or x1000 or a special symbol that will collect all coins to make positions for more coins.

If a collect symbol lands, it will absorb all the other coins, taking the sum of their values. All empty symbols absorbed will respin for more coins. At most, one collect symbol may appear on the reels.

FREE SPINS

Landing 3, 4, 5 or 6 free spin scatter symbols awards 15, 30, 50 or 100 free spins respectively.

During Free Spins, reels grow to 3-4-5-5-4-3, and Mystery Symbols land with higher frequency to create a higher chance of revealing wilds and coins.

During Free Spins, Mystery Symbols can also reveal +1, +2, and +5 free spin symbols in addition to the x1 - x1000 coins.

Landing 3, 4, 5, or 6 scatters during free spins can also retrigger the free spins with an additional 15, 30, 50, or 100 free spins, respectively.

TURBO MODE

Play at faster speeds with less repetitive animations and disruptions.
