HULA MOOLAH™ FEATURE

Tiki Sacrifices upgrade the multipliers on any adjacent (Vertical, Horizontal or Diagonal) Lava Pools by a random number of tiers. The more valuable the multiplier, the more valuable the increases!

1.

Tiki Sacrifice upgrades adjacent Lava Pool's multiplier and can turn it into another Tiki Sacrifice!

2.

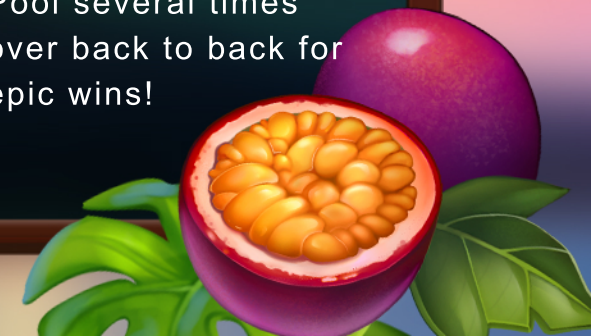

Tiki Sacrifice explodes and upgrades multiplier on itself and adjacent Lava Pools.

3.

Chain reactions can upgrade each Lava Pool several times over back to back for epic wins!

HULA MOOLAH™ FEATURE

Tiki Sacrifices explode, digging through all adjacent Lava Pools for randomly larger and larger multipliers. With a max multiplier of 25x there is huge potential in every position!

Land a new Lava pool or another Tiki Sacrifice to reset your spin counter and find more sacrifices for the tiki god.

Filling the entire array with Lava Pools, or running out of spins ends the Hula Moolah™ feature.
