Join the party on the dance floor, and keep an eye out for the Llamas who mark positions when they appear. When all the floor tiles are marked, the Big Llama comes out to play, and he's not one to hold back.

As the Llama power stacks up in the progression meter, the progressive multiplier keeps growing. Work your way towards the 100x multiplier that will be sure to raise the roof in the next Free Spins.

FORTUNE METER

Collect 100 Llama symbols to increase the Progressive Multiplier.

WILD WILD FEATURE

Triggered by landing Wild on reel 1 and 2.
Each Llama symbol awards a credit win.

BIG SPIN

Mark all 16 positions to trigger the Big Spin.
1 in 8 chance to fully land the 4x4 Big Llama.

FREE SPINS

All wins are multiplied by the Multiplier built up in the Progression Meter, up to 100x.
Locking 4 Llama symbols on a reel clears the column and opens up the positions for more win potential.
