

SPECIAL SYMBOLS

WILD:

Wild substituting for all symbols in a winning line, except for Scatter and Rainbow symbols.

SCATTER:

Three Scatter symbols add five free spins even in an existing free spin game.

HOLD & WIN FEATURE

Six or more Pot of Gold during a spin trigger Pot of Gold Hold & Win feature.

After the initial spin wins have been paid, all symbols different than Pot of Gold are shaded.

All Pot of Gold symbols are held and the player is granted 3 respins for more Pot of Gold symbols.

No other symbols than a Pot of Gold can appear during the Hold & Win.

No other symbol than a Pot of Gold can take part in the final win at the end of Hold & Win.

If one or more additional Pot of Gold symbols stop on the reels during a Hold & Win, the number of the Hold & Win left to play is reset to 3 again.

The feature ends when the number of Pots of Gold becomes 15 or in case of 3 Hold & Wins in a row without a Pot of Gold symbol.

HOLD & WIN JACKPOTS

During the Hold & Win feature, a player could hit mini, maxi, and mega Hold & Win jackpots!

Mini and maxi jackpots could appear on the Hold & Win symbols. Any Mini or Maxi jackpots will turn into mega jackpot if all reel positions are filled with Hold & Win symbols.

FREESPIN FEATURE

Free spin feature is triggered when three Scatter appear. Reel 2, 3 and 4 combine in a Mega symbol. The Mega symbol is treated as 9 symbols of the type with exception of the Pot of Gold symbol which is considered as one.
