WILD SYMBOL

Meet Miss Rainbow, your wild symbol! She can replace any icon in the game, except for the scatter and hold and win symbols.

SCATTER SYMBOL

Look out for the rainbow well – your scatter symbol in Miss Rainbow Hold & Win. Land it on the first, third, and fifth reels to enjoy five free spins. Retrigger with three more scatters during the free spins, with unlimited retrigger possibilities.

FREE SPIN

Trigger the free spin feature with three scatters! Watch reels 2, 3, and 4 combine into a mega symbol, treating it as 9 symbols, excluding the hold and win symbol, which counts as one.

HOLD AND WIN

Activate the rainbow hold and win by landing six or more pot of gold symbols. Available in both main and free spin games, this extra round features only pot of gold symbols. Start with 6 spins, collecting 3 more on each spin with a pot of gold symbol!

JACKPOT

In the hold and win, aim for mini, maxi, and mega hold and win jackpots! Mini and maxi jackpots may appear on hold and win symbols and transform into a mega jackpot if all reel positions are filled with hold and win symbols. Luck awaits!
