

GAME RULES

EXPANDING WILDS WITH MULTIPLIERS

- During the game, each reel has a Wild counter above it. Landing each Wild  symbol is added to its respective Wild counter above.
- Collecting 2 Wild  symbols on a reel triggers Expanding Wilds with random multipliers on that reel. Once triggered, the reel on which the feature was triggered will become Wild with random Multiplier for the next 2 spins. After 2 spins, the corresponding meter resets.
- Changing bet levels resets the progress of Wild collection. Returning to a previous bet level will restore the progress linked to that bet amount.

There are two kinds of Expanded Wilds:

- Mr. Piggy Expanded Wild has a multiplier with values ranging from 4x to 10x, randomly.
- Ms. Piggy Expanded Wild has a multiplier with values ranging from 2x to 5x, randomly.

During the game, multipliers are added up to each other when there is a win including more than one Expanding Wilds.

- During free spins, collecting 2 Wild  symbols on a reel triggers Expanding Wilds Respins. Any triggered Expanded Wild with random Multiplier on a reel stays for 2 respins. After 2 respins, the corresponding meter resets.

- Total Multiplier awarded from Piggy Wheel multiplies all line winnings with its value if there are no Expanded Wilds on the reels. Otherwise, Total Multiplier boosts multipliers of Expanded Wilds as its value added to Multiplier(s) of Expanded Wilds when any winning occurs.
