

## GAME DESCRIPTION

Get ready to cast your line in Salty Sam's Rage Bait! The latest game by Powderkeg plunges you into the tempestuous world of Salty Sam, the hot-headed fisherman with a flair for adventure and a knack for landing big catches! Spin the reels filled with vibrant symbols as you navigate the waters of excitement.

Watch out for Sam's Wild fishy foe, whose antics build up a metamorphic that could unleash the explosive Salty Sam Spin & Win Feature! When triggered, you'll snag three retriggerable spins, giving you the chance to reel in fish prizes that can be upgraded by the elusive worms hiding on the reels. Each spin could hook you a treasure trove of rewards!

But that's not all—dive into the Free Spins Bonus, where additional Wilds flood the reels, significantly increasing your chances of triggering the Spin & Win Feature. With Sam's rage fueling the action, every spin is a chance for thrilling payouts and unexpected surprises!

So, whether you're a fishing fanatic or just looking for some reel excitement, Salty Sam's Rage Bait is your ticket to a splash-tacular adventure! Will you ride the waves of fortune or get tossed overboard? Cast your luck and let the fishing frenzy begin!

## SPIN AND WIN FEATURE

Bait upgrades the multipliers on any adjacent (Vertical, Horizontal or Diagonal) Multifish by a random number of tiers. The more valuable the multiplier, the more valuable the increases!

Bait upgrades adjacent Multifish's multiplier and can turn into more Bait!

Bait is swarmed by fish and upgrades multiplier on itself and adjacent Multifish!

Chain reactions can upgrade each Multifish several times over back to back for epic wins!

# SPIN AND WIN (CONT)

Bait is swarmed by fish, upgrading all adjacent Multifish for randomly larger and larger multipliers. With a max multiplier of 25x there is huge potential in every position!

Land new Bait or another Multifish to reset your spin counter and find more ways to catch fish!

Filling the entire array with Multifish, or running out of spins ends the Spin and Win feature.
