

Richie and Peggy return in the Halloween Haunted House, a special edition of the hit Gold Pigger 2 Royal Snouts!

Capitalizing on a high-energy disco theme, this game is designed for maximum player engagement and marketability during the Halloween period.

A core design pillar is the dual-volatility bonus choice, catering to multiple player profiles. Players can select the steady accumulation of the **ZOMBIE PARTY BONUS** or chase high-potential wins in the **STICKY GROOVE BONUS**. This strategic choice is up to the player.
