GAME DESCRIPTION

Step into the mystical realm of Midas Pot, a thrilling 3x3 slot game inspired by ancient Eastern legends and the divine power of the Chinese God of Wealth (CAISHEN). In this enchanted world, gold coins rain from the sky, and fortune awaits those blessed by the heavens.

Legend has it that CAISHEN commands the flow of riches and luck, holding golden ingots in his hands and riding the clouds with grace. In Midas Pot, he is not just a mythical figure but your loyal companion on a journey toward unimaginable fortune. When the sacred Money Pot begins to stir, it may shower you with random cash prizes or summon the God himself to change the course of the game. Watch as he appears at the perfect moment, turning the tide in your favor.

With only 3 paylines, the action is intense and direct. When CAISHEN symbol appears on a winning line, he collects all visible Yuanbao symbol values on the board. If he lands in the center position, he triggers the **Golden Lock & Respin** mode—carrying collected rewards with him. And if there's nothing to collect, he transforms into a powerful multiplier collector instead.

Mystery symbols add more excitement, randomly transforming into Yuanbao or Jackpot symbol. At the climax of Lock & Respin, the Jackpot symbol reveals a jackpot prize—an electrifying finish to your golden run!

Midas Pot is a slot game with dazzling visuals, rich animations, and ever-changing thrills. Perfect for players who crave fast-paced gameplay, and massive reward potential. Join the God of Wealth and let your journey to boundless riches begin!
