1. Introduction

1.1. Game Introduction

This is a video slot with 3 reels, 3 rows and the number of paylines is fixed at 3.

2. Gameplay Description

2.1. Yuanbao symbol

These three symbols are yuanbao symbols, and the bonus will be displayed above. The bonus calculation method is Player Bet Amount x Multiplier. Different yuanbao symbols correspond to the following multipliers:

-  : 7x, 8x, 9x, and 10x
-  : 3x, 4x, 5x, and 6x
-  : 0.5x, 1x and 2x

2.2. Caishen symbol

1. This symbol is the symbol of the Caishen, which will appear in all slots.
2. In the main game, it serves as both a collection symbol and a SCATTER symbol.
 - Collect symbols: If the Caishen symbol appears on the winning line, it will

collect all types of yuanbao symbols on the field as bonus to the Caishen symbol, and the bonuses on the yuanbao symbols will not disappear.

- SCATTER Symbol: When one Caishen symbol appears in the center of the game grid, you will enter the Golden Lock Respin. Before entering the Golden Lock Respin, the Caishen symbol will collect the bonuses on all types of Yuanbao symbols on the screen and carry them into the Golden Lock Respin. If there are no Yuanbao symbols to collect before entering the Golden Lock Respin, the collection will switch to multiplier symbols after entering the Golden Lock Respin.

3. Golden Locking Respins: The Caishen symbol acts as a multiplier collection symbol.

- Collect Multiplier Symbol: If the Caishen symbol appears on the screen, it will collect the bonuses from all types of yuanbao symbol present on the screen to the Caishen symbol. After collecting, an additional multiplier of x2, x3, x4, x5, x6, x7, x8, x9, x10, x11, x12, x13, x14, x15, x16, x17, x18, x19, up to a maximum of x20, will be awarded.

2.3. Jackpot symbol

1. These three symbols are Jackpot symbols and will appear on all reels.
2. The Jackpot prize is calculated as a fixed multiplier x the player's bet amount.

- MINI 15x

- MINOR 25x

- MAJOR 50x

2.4. Mystery Symbol

This symbol is a mystery symbol that appears in the main game and the Golden Lock Respin.

- Main Game: Appearing on the winning line will randomly award yuanbao symbol or Jackpot prizes.
- Golden Lock Respin: Appears on the reel, randomly revealing Yuanbao or Jackpot prizes before the settlement. If a mystery symbol appears in the main game and triggers the Golden Lock Respin, it will carry over into the Golden Lock Respin.

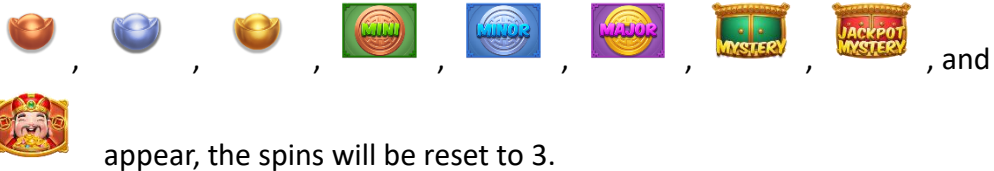

2.5. Jackpot Mystery Symbol

This symbol is the Jackpot Mystery symbol, which only appears during the Golden Lock Respins. It will reveal itself before the settlement and will only reveal the Jackpot symbol.

2.6. Golden Lock Respin

1. Each time the Golden Lock Respin is triggered, you will receive 3 spins. If

- appear, the spins will be reset to 3.
2. During the lock respin, if the entire reel is filled with any symbol, the **Grand Jackpot** reward is granted with a fixed **3000x** player bet. The highest win multiplier in this Golden Lock Respin is 3000x, and no additional payout is calculated for the symbols on the reel.

2.7. Midas Pot Feature

1. In the main game, when the Caishen symbol appears on the screen, a feature is triggered randomly.
2. When the feature is triggered, the screen will randomly display Yuanbao symbols or the Caishen symbol. The number of Yuanbao in the Money Pot does not affect the probability.

3. Extra Bet

1. Click the OFF→ON button for extra bets to open the "Spec Selection Screen".
2. You can choose to use one of the two option effects to play the game. After selecting, click "Confirm" to activate the additional bet effect.
 - Use 1.5x bets to double your chances of entering the Golden Lock Respin!
 - Use 3x bets to increase 4x chance to enter the Golden Lock Respin!
3. Extra bets winning points = Base bet amount x Odds!
4. The basic bet amount for additional bets and regular bets may differ.
5. Click the "Extra Bet" ON→OFF button to deactivate the extra bet feature.

4. Game Rules

4.1 Game Rules

1. This is a video slot with 3 reels, 3 rows and the number of paylines is fixed at 3.
2. Main game winning symbols pay on the payline from left to right.
3. PayLines:

4. Only the highest win is paid on each payline.
5. When winning on multiple paylines, all wins are added to the total win.
6. Feature games will play with the same bet settings as those in the trigger game.

4.2 Special Situation

Malfunction renders all payments and games invalid.

Where an interruption occurs after the operator receives notification of the customer's gamble and where the customer can have no further influence on the

outcome of the event or gamble the results of the gamble should stand.
