GAME SHEET V0.1

## GAME DESCRIPTION

Step into The Honey Hell, a sticky-sweet realm where honey drips, bees buzz, and wins sting, in the best way possible! This delightful 3x3 slot adventure buzzes with Golden Hive 7s, Bees, Honey Combs, and Swarming Stacked Wilds, all nestled in a world where nectar is gold, and danger lurks beneath the bloom.

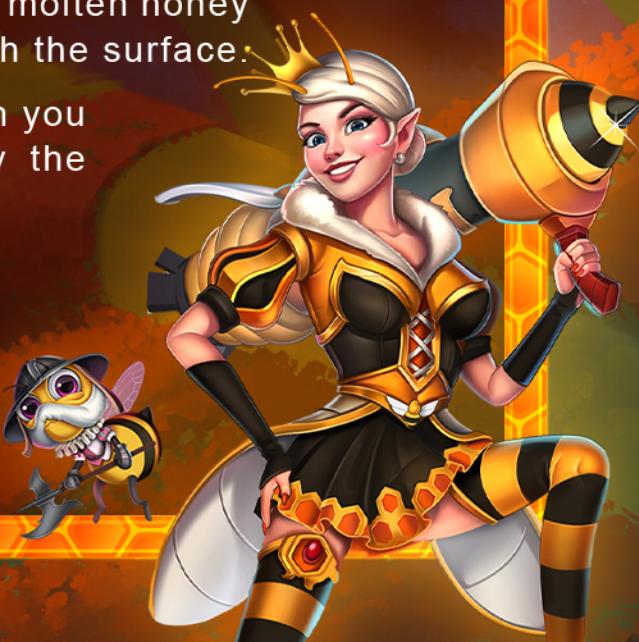

But don't let the sugary surface fool you... This is no ordinary beehive.

Descend into the Hive Inferno with the Layered Wheel Feature, triggered by the Wheel symbol. The more Wheel symbols you collect, the more spins you earn to delve deeper into the hive's molten honey core! With each level, Respins offer juicy glimpses of sticky rewards waiting just beneath the surface.

Golden Hive 7s come with random multipliers, delivering surprise stings of fortune when you least expect them. And with Fierce Stacked Wilds on reels one and three—led by the hammer-wielding Queen Bee—you'll strike gold more often than not.

This isn't just another day at the hive—The Honey Hell is a place of sweet temptation, rich rewards, and devilishly fun gameplay.

Are you ready to get stuck in the sweetest hell imaginable? Enter The Honey Hell and taste the fire behind the flowers!
